

SCOUT CLASS REQUIREMENTS

BE PREPARED

It's our Scout Motto

Girl Scout Badge and Journey Prerequisites (For girls age 5-18)

GS classes include all badge and journey requirements, including any Take Action Projects. There are no prerequisites associated with any of our GS programs. Badges/patches are not provided.

Boy Scout Merit Badge Class Requirements (For scouts age 10-18)

- ⦿ **Be on time for class:** Arriving on time shows your respect for your counselor and fellow scouts. Late scouts may not receive credit for requirements completed in their absence.
- ⦿ **Participate in the class activities:** Scouts are expected to participate in class discussions and share workbook responses to prerequisite requirements. Scouts should plan to take notes in their workbook during class.
- ⦿ **Materials you need to bring to class:**
 - Blue card – signed by your Scoutmaster and filled in with your name, address, and troop number.
 - The most current workbook available (please check the month/year) with prerequisite answers already filled in and any prerequisite materials created. Be prepared to discuss/present answers during class.
- ⦿ **Earn your merit badge:** In order to get all the requirements signed off by our Merit Badge Counselors, you must do all of the above and bring in all prerequisite materials (see list).
